

Congratulations!!!! You said, "Yes"... Now, it's time to find your dress!!!

We can't thank you enough for contacting Uptown Bridal & Boutique. Uptown is owned and operated by us... identical twin sisters, Nicole & Tonia, along with our hero, we mean our mom, Dianne! We recently relocated from our busy & beautiful Downtown Chandler location into an entirely private and "[pinterest](#)" worthy historic home. It's really the sweetest thing you've ever seen! We have a decade of impeccable customer service and bridal gown expertise... just check out our [reviews](#) and [raves](#), check out our [Instagram feed](#), or chat with a former Uptown bride!

We absolutely love what we do and do what we love!!

Early this year we reinvented the bridal shopping experience into something uniquely & unforgettably Uptown... truly an experience that you cannot find anywhere else!! We have literally thought of everything to ensure your bridal shopping day is not just a "dress decision" but an exclusive, luxury-filled, heart-warming, memory-creating Uptown experience. We are calling our appointments...
